Claudio Marxer
University of Basel, Switzerland

Research and Coding Interests:

- General: ICN and in-network Processing (NFN)
- Currently: Access Control & Content Organization

Wish List of Hackathon Topics:

- Proceed IETF 99 Hackaton (Praha)
- Lightweight NFN: Adjustment to IoT needs and constrains
- ICN & Push-Based Communication

- MSc in Computer Science from University of Basel
- Now: PhD Student Computer Networks Group

SCHLOSS DAGSTUHL
Leibniz-Zentrum für Informatik

GI-Dagstuhl Seminar 17303, July 23-28, 2017
IoT Hackathon: From Research to Practice
